*Keep in mind . . .*

Everyone applying to the schools on your college list is virtually **just like you**—comparable GPAs, similar résumés, and interested in the same **OR** a related major(s). Given this harsh reality, **YOU WILL HAVE TO WRITE YOURSELF INTO COLLEGE.** At MAC, we will give you the pivotal tools!

*And the good news is . . .*

Through your compelling essays—both major and supplemental—you can distinguish yourself from the competition. It is only through your essays that the colleges will be able to “hear” your voice, “see” your vision, and know your values and your heart. From this pivotal personal information, each college will decide if you are an excellent fit, given that school’s community and mission. If so, *you are in!*
